

Contemporary Issues in Business, Management and Education 2013

Message from the Guest Editors

It is a pleasure to welcome you to the 2nd International Scientific Conference “Contemporary Issues in Business, Management and Education 2013” (CBME-2013). We are very delighted to serve as the guest editors for the Selected Papers of Conference “Contemporary Issues in Business, Management and Education” in this special issue of Social and Behavior Sciences Procedia.

The conference “Contemporary Issues in Business, Management and Education” aims to introduce world-class academic achievements and enhance researches in social sciences so as to promote academic development in the whole world. This conference creates a forum, where academics can come together to share and discuss the latest theoretical and practical scientific knowledge about business management and economical phenomena. We are delighted that international prestige of our conference is growing and the conference is gaining worldwide recognition and exposure. Scholars from all over the world have contributed to CBME-2013. The papers cover a wide range of topics in social sciences. This can be seen from the sections of this Conference:

- Innovations in the National and International Context;
- Financial Risk Management of Business Development;
- Modern Business Management Problems and Perspectives;

- Sustainable Economic Development;
- E-business: Challenges, Solutions, Tendencies;
- Contemporary Issues of Economics and Management Studies: Problems and Perspectives;
- Logistics Business Processes.

A total of 178 abstracts or full papers were submitted for approval this year and each paper has been peer reviewed by reviewers who are specialists in the field concerned. At the end of the review process, a total of 135 high-quality research papers were selected and accepted for oral, poster or virtual presentations.

We would like to take the opportunity to thank the reviewers, the members of the international editorial board, the publisher and those involved in technical processes for their hard work to make this publication possible. We would like to thank everyone who contributed to every process to make this conference happen.

Best regards
